COMMUNICATION

Dear Sir:

Applicant submits the following Communication in response to the Office Communication of January 29, 2007, requesting a complete or accurate record of the substance of the September 11 and 13 interviews in this matter, as referenced in the Amendment filed November 20, 2006 (it is expressly noted herein that the second of the two interviews was conducted on September 13, and not September 14, as inadvertently listed in the referenced Amendment).

During the course of said interviews, Examiner Lindsey and the undersigned discussed the teachings of U.S. Patent No. 3,381,308 issued to Fineberg, particularly with reference to the pending claims. Examiner Lindsey and the undersigned also discussed the Examiner's 37 C.F.R. § 1.83(a) rejection, including the Examiner's review of annotated Figures A and B presented at pages 11 and 12 of the referenced Amendment. agreement was reached with respect to allowance of the pending claims. Nevertheless, as stated in the Amendment, it is firmly believed that the claims are in a condition for allowance. On behalf of the Applicant, the undersigned extends his gratitude to Examiner Lindsey for the courtesies exhibit during the interviews and for his consideration of the issues raised.

If there are any additional charges in connection with this requested amendment, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.

Dated: February 28, 2007

Respectfully submitted,
